Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

# The Standard English Classics Series and Your Problem

How to supply reading which conforms to the College entrance requirements, which genuinely interests your pupils, which stimulates thought, and creates an appreciation of good literature is a problem the Standard English Classics Series solves.

And in Addition

Every one of the volumes in the Standard English Classics Series has been well and fitly edited.

Every Volume will stand up under the severest wear and tear of school use.

Every volume is of pleasing appearance and a model of good typography.

Every volume purchased represents an economy. The prices are surprisingly low.
